Notice of Motion

Moved by Councillor Baldwin

Whereas municipalities face growing infrastructure needs, including roads, bridges, public transit, water systems, and other critical services, which are essential to community well-being and economic development; and

Whereas the current sources of municipal revenue, including property taxes and user fees, are insufficient to meet these increasing demands for infrastructure investment; and

Whereas the Province of Ontario currently collects the Land Transfer Tax (LTT) on property transactions in municipalities across the province, generating significant revenue that is not directly shared with municipalities; and

Whereas the Federal Government collects the Goods and Services Tax (GST) on property transactions, a portion of which could be directed to municipalities to address local infrastructure needs; and

Whereas redistributing a portion of the Provincial Land Transfer Tax and GST to municipalities would provide a predictable and sustainable source of funding for local infrastructure projects without creating a new tax burden on residents or homebuyers; and

Whereas a redistribution of a portion of the existing Land Transfer Tax and GST would allow municipalities to better plan and invest in long-term infrastructure initiatives, supporting local economic growth and improving the quality of life for residents;

Now Therefore Be It Resolved:

1. That Council for the City of Peterborough respectfully requests the Provincial Government to consider redistributing a portion of the Land Transfer Tax collected on property transactions to municipalities; and

2. That Council for the City of Peterborough calls on the Federal Government to allocate a percentage of the GST collected on property sales to municipalities; and

3. That this redistribution of the Land Transfer Tax and GST should be structured to provide predictable and sustainable funding to municipalities, allowing for better long-term planning and investment in infrastructure projects that benefit local communities, thus ensuring that local governments receive a fair share of the revenue to address critical infrastructure needs; and

4. That copies of this resolution be forwarded to Prime Minister Justin Trudeau, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, local Members of Parliament (MPs) and Members of Provincial Parliament (MPPs); and

5. That copies of this resolution be forwarded to all Municipalities in Ontario, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) for their endorsement and advocacy.

Tariff Motion

Moved by Mayor Leal

Whereas the federal government is currently in negotiations with the U.S. government on their proposed 25% tariffs on Canadian goods exported to the U.S.; and

Whereas Premier Doug Ford has outlined several plans to combat the impact the proposed tariffs would have on Ontario including Fortress Am-Can which focus on strengthening trade between Ontario and the U.S. while bringing good jobs back home for workers on both sides of the border; and

Whereas the federal government has also outlined several ways to address the current relationship with the U.S. including establishing the Council on Canada-U.S. relations to support the federal government as it negotiates with the U.S on tariffs; and

Whereas Ontario is the number one or number two customer for at least seven US states including New York, Michigan, Ohio, Illinois, Pennsylvania, Wisconsin, and Missouri, and trade between Ontario and the United States is very important to our residents and local economies and requires all levels of government to work together in the best interest of those residents; and

Whereas according to data from the Association of Municipalities of Ontario, across Ontario municipalities are expected to spend between $250 and $290 billion on infrastructure in the next 10 years; and

Whereas municipalities, although currently subject to various trade agreements including the Canada-United States-Mexico Agreement have traditionally treated all procurements from trade partners equally and fairly; and

Whereas municipalities can assist in the Team Canada effort to combat tariffs and support businesses in our procurement for equipment, materials and supplies for both operating and capital infrastructure programs; and

Whereas there are trade barriers between Canadian provinces that add costs and create inefficiencies in the movement of goods.

Therefore, be it resolved that, the City of Peterborough supports Team Canada and the provincial and federal governments on the measures they have put in place in response to the proposed U.S. tariffs on Canadian goods and ask that

they take any and all measures to protect the interests of Ontario in any upcoming trade negotiations;

And that federal and provincial governments remove any impediments to municipalities preferring Canadian companies and services for capital projects and other supplies;

And that the provincial and federal governments take action to remove trade barriers between provinces as a response to US tariffs and support Canadian businesses.

And that the Commissioner of Finance and Corporate Support Services be directed to bring back a report detailing a temporary procurement policy that integrates and addresses these concerns to the greatest extent possible;

Be it further resolved, that copies of this motion be sent to:

- **The Right Hon. Justin Trudeau, Prime Minister of Canada**
- **The Hon. Doug Ford, Premier of Ontario**
- **The Hon. Melanie Joly, Minister of Foreign Affairs**
- **The Hon. Vic Fedeli, Minister of Economic Development, Job Creation and Trade**

- **Robin Jones, President, AMO and Mayor of Westport**
- **Bonnie Clark, Chair, Eastern Ontario Wardens' Caucus**
- **John Beddows, Chair, Eastern Ontario Mayors' Caucus**
- **All provincial and territorial Premiers**
- **All local MPs and MPPs**
- **All Ontario Municipalities for their support.**
